Organizational membership in ALA offers your library a range of benefits and the unique opportunity to help build and maintain a strong voice in the future of America's libraries by having your ideas heard at the national level.

Standing together in membership lets libraries, librarians, and staff members access solutions and resources to address problems otherwise faced alone.

# This investment in your library offers you opportunities to:

- **Hire engaged, qualified professionals.** Save as much as 30% on job ads posted to ALA JobLIST—the award-winning source for careers in Library & Information Science & Technology.
- **20% off a Booklist Online Unlimited User Account.** Offer your staff, patrons, faculty, and students access to book reviews.
- **Save money on products, programs, and services.** Enjoy discounts and special benefits through our Organizational Member Value Programs & Benefits.
- **Advocate for libraries.** We work to increase public awareness about the value of libraries to our communities. ALA fights for libraries by working on behalf of libraries in the areas of federal library funding and intellectual freedom.
